

Dear \_\_\_\_\_,

A gift has been made to Innovative Housing in your name. This donation supports low- income individuals and hard working families struggling to make ends meet and ensures they have safe, warm homes this holiday season.

Please visit [www.innovativehousinginc.com](http://www.innovativehousinginc.com) to learn more about IHI's housing and services, and to read our residents' stories. You can also sign up for our email newsletter to get periodic updates about our work. Thank you!
